

Rediscover What Brings You Joy

The **iJOY® Massage Chair 2.1** by Human Touch® is designed to have you instantly relaxed, refreshed and ready to face the world again. Convenient zippered pockets on both sides of the chair provide great accessible storage. On the move or short on space? The iJOY 2.1 folds down into a convenient package to take or store.

Sit back and enjoy the amazing FlexGlide® orbital technology, our patent pending massage technology that delivers a stress-reducing experience that will have you basking in the glow of ultimate relaxation.

FlexGlide[®]

Patent pending orbital massage technology

Soothing, sensitive, and oh so luxurious, our **FlexGlide** massage solution delivers a stress-reducing experience like never before. Free from the pinching and friction associated with typical massage chairs, every contour of your body is therapeutically touched by the unparalleled flexibility and seamless glide of our patent pending FlexGlide orbital technology. Much like receiving a warm oil massage from a masseuse, the FlexGlide experience will have you basking in the glow of ultimate relaxation.
